

To the Pulley, Watson Law firm,

On behalf of the 108th Military Police Company (Airborne)(Air Assault), the Company Commander and myself would like to thank you and your organization for the Holiday packages that you sent to the company. The Soldiers and NCOs are truly grateful for your show of support during our time away from home. We are very appreciative of the time and effort that you and your staff put into making these outstanding gifts that show the spirit of the Holliday season. Please pass the thanks on to your staff and let them know that our spirits are much higher just knowing we are being thought of by people we don't even know. That kind of support goes a long way in this type of environment.

Thank you and have great Holliday season,
